Section .1

Time Horizon

working life , retired life

Section .2

Our recommendations

For<40, given their time horizon we highlight Aggressive growth ETF's, crypto-currencies **and** a pension. Accumulation is the name of the game, and we'd recommend a 30:30:40 split.

Section .3

What we offer

- Upcoming news on Crypto-currencies, Equities and Bonds.
- Live Q&A with our qualified tax accountant.
- Portfolio assessment.
- Personal pension advice from our qualified in-house advisor.
- This month we have a deep delve into the world of Peer-to-Peer lending, and reviews of the sites we've used.
