Section .1

Time Horizon

working life , retired life

Section .2

Our recommendations

For >40, we start with some pension idea's, while also diversifying into growth&income asset types. Our aim is a passive, supplementary income with longevity built in. Our recommended ratio would be 40:60 respectively.

Section .3

What we offer

- Upcoming news on Crypto-currencies, Equities and Bonds.
- Live Q&A with our qualified tax accountant.
- Portfolio assessment.
- Personal pension advice from our qualified in-house advisor.
- This month we have a deep delve into the world of Peer-to-Peer lending, and reviews of the sites we've used.
